

EXCELLENCE IN EDUCATION AND OPPORTUNITY FOR ALL

Autumn Term 2025 Friday 24th October

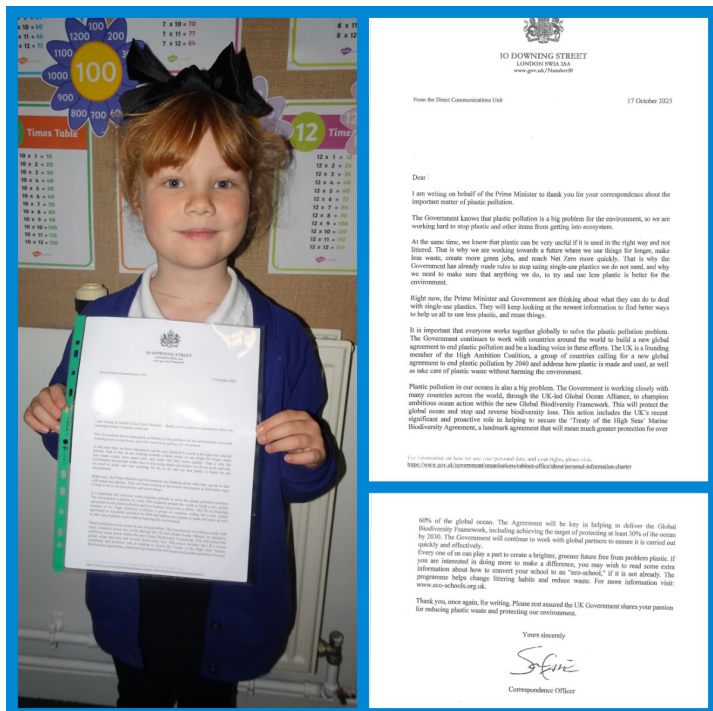

As we come to the end of another busy and rewarding half term, I would like to take a moment to thank our pupils, staff, and families for their continued commitment and enthusiasm. It has been wonderful to see our children grow in confidence, curiosity, and kindness as they take on new challenges and celebrate their achievements.

At the heart of everything we do is the strong partnership between home and school. The relationships we build with parents and carers are vital in helping every child thrive — academically, socially, and emotionally. Your support, encouragement, and involvement make a real difference, and we are so grateful for the positive collaboration we share.

I would like to say a special thank you to the parents and carers who have volunteered their time, as part of the PTFA, to help raise valuable funds for the school, as well as organising some great activities for the children. The next big event is the Christmas Fayre and I am so excited about this one!

As we look ahead to next half term and the build up to Christmas, we are excited to continue working together to nurture a love of learning and a sense of belonging for every child in our school community.

Have a fantastic half term everyone!

We are absolutely thrilled to share that one of our Year 3 pupils has received a personal letter from 10 Downing Street, written on behalf of the Prime Minister!

She had recently written to the Prime Minister to share her thoughts on tackling plastic pollution, a topic we have been exploring in depth over that past few weeks.

Well done!!

We hope you have a wonderful half term break. We look forward to welcoming you all back to school on Monday 3rd November 2025

Well done to **Tamar** class who had **98.4%** attendance for the period of **13th - 17th Oct 2025**

Remember our whole school attendance target for the year we are working towards is 96.2%.

It is essential for children to attend as much school as possible if they are to get the most from their education and achieve their full potential.
